

Technical Information

SS Clean 1

Cleaner / Degreaser for Stainless Steel

Product Description

ASV® SS Clean 1 stainless steel cleaner spray is a non-chlorinated, fast drying cleaner / degreaser for cleaning, and protection of stainless steel (matt and polished).

ASV® SS Clean 1 rapidly penetrates through grease, oil, dirt, dust and other contaminants and cleans equipment fast. It removes fingerprints and leaves a water repellant, non-staining, colorless film over the surface to prevent further marking of finger prints and dirt for sticking to the surface. It has a pleasant citrus odor and does not contain any CFC's, chlorinated solvents or ozone depleting chemicals.

Applications

For heavy duty cleaning / degreasing as well as polishing applications of all mechanical equipment, metal surfaces, components made of stainless steel, in or out door.

Benefits

- Removes grease, oil, dirt, dust, sludge
- Non corrosive, nonconductive and non-staining
- Leaves ultrathin invisible protective residual film
- Safe on metals, most plastics, glass and ceramics
- Non chlorinated formulation
- Fast penetrating and superior wetting action
- 360° valve allows spraying in any position-even inverted

Caution: Contains flammable solvents. Do not spray near naked flame, hot surfaces or energized equipment. Use with adequate ventilation.

Technical Information

SS Clean 1

Cleaner / Degreaser for Stainless Steel

Technical Properties

Parameter	Unit	Value
Type		Heavy duty cleaner & degreaser
Appearance		Oily liquid
Color		Clear
Odor		Pleasant citrus
Specific Gravity @ 20° C	g/cm ³	0.75-0.80
Flash Point (aerosol)	°C	-18
Evaporation Rate		> 1 (ref: n, butyl acetate= 1)
Vapor Density		Heavier than air
Safety Norms		No Sara Title III, Sect. 313 Chemicals (No harmful or carcinogenic substances)
Propellant (aerosol only)		Non CFC

Available Packaging

- 500 ml aerosol spray
- 5 liter, 30 liter container

General

Use in well ventilated areas. Avoid continuous breathing of vapor and spray mist. In closed areas or areas with poor ventilation, use respiratory protection. For complete details on safety, short and long term exposure, refer to this product's safety data sheet (SDS).

Disposal

All used and unused product should be disposed of in accordance with state regulations.

Shelf Life

Bulk - 12 months from date of manufacture in sealed condition
Aerosol - 24 months from date of manufacture

Handling

Read instructions on the container label of the product before use. The product safety data sheet (SDS) contains the relevant information regarding personal protective equipment, safe use, physical and health hazards. Safety data sheet is available from ASV or your local ASV distributor.

Limited Warranty

The information and data contained in this sheet is accurate to the best of our knowledge or is obtained from sources, tests or experiences believed by us to be reliable and accurate. User is responsible for determining whether recommended ASV® product is fit for a particular purpose. All products should be tested for suitability on a particular application prior to actual use. We make no representations of any kind. Data offered without warranty.
